

Dear all Wake Conference participants,

We are looking forward to welcoming you in Visby.

Here follows practical information about the venue, social program etc.

- Venue

The conference will take place in the library lecture hall (E22) at Gotland University. Library; see building 4 in figure 1. Registration will take place from 8:00 in the library reception (outside the lecture hall).

- Lunch

Lunches will be served at Wisby Strand, building 6 in figure 1.

- Dinner and guided tour

During Wednesday evening there will be a guided tour "World Heritage Visby" and a medieval dinner.

The guided tour will start at Donners square, see figure 1, at 19:00.

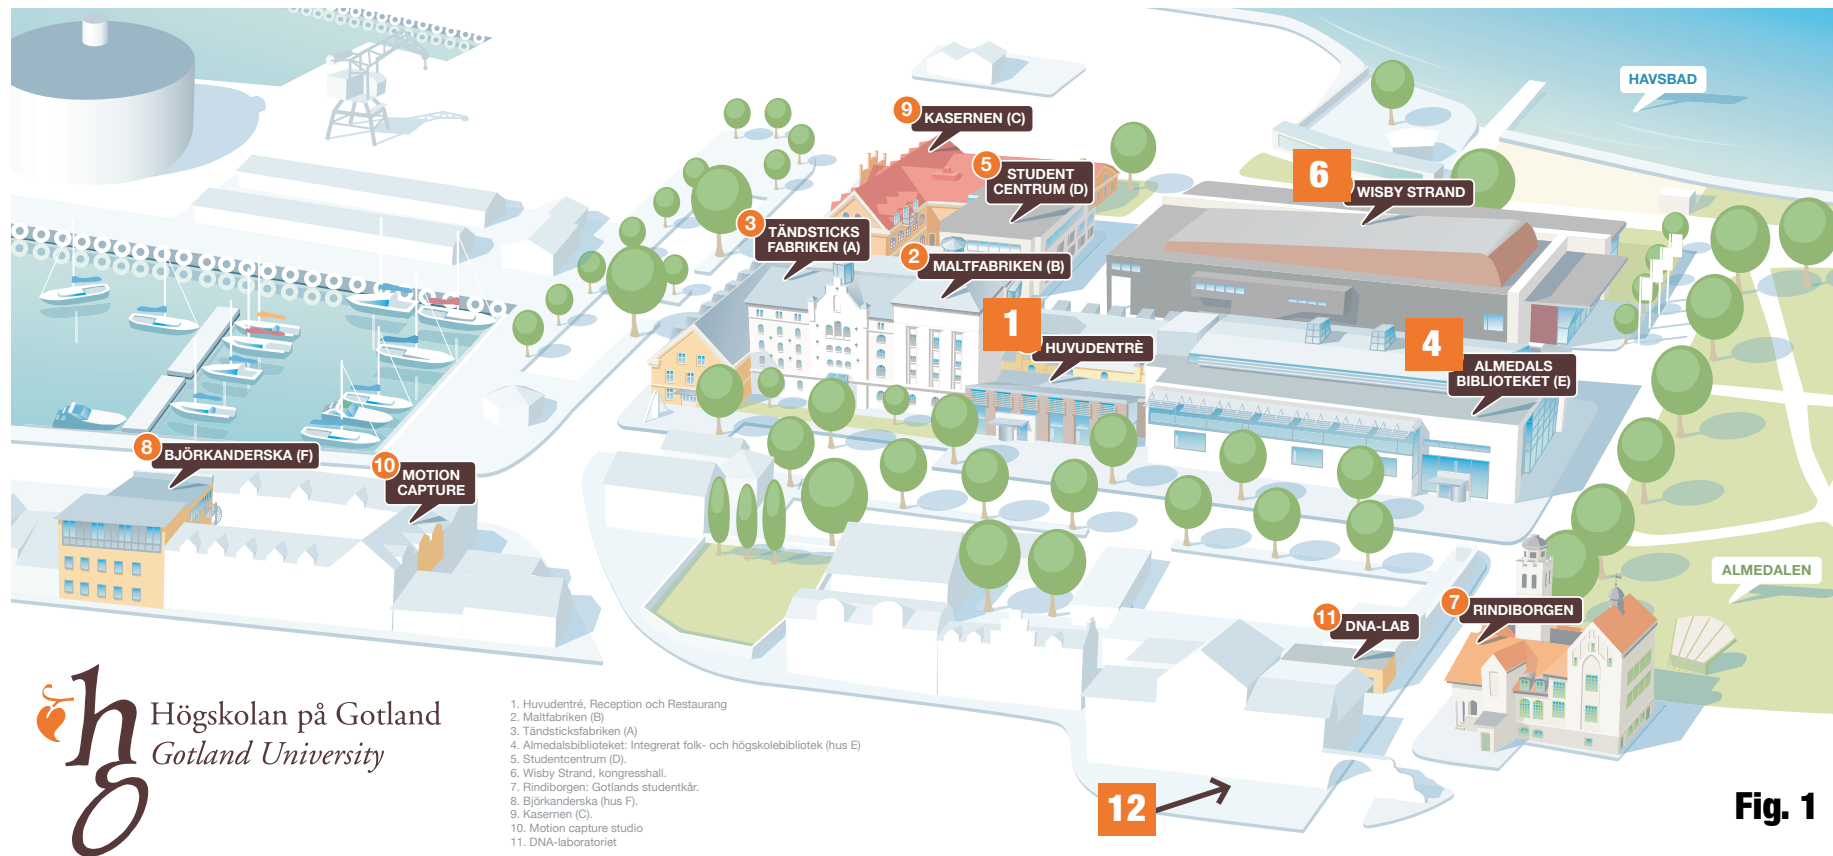

The dinner will be held at Kapitelhusgården - The Chapter House, see figure 2.

The Chapter House is a mediavel building from the 13th century. The dinner, Medieval Grand Feast, will also include typical entertainment in medieval style. The dress code for the dinner is casual and we do not recommend you to wear your best suit since you never know what can happen during medieval time!

If you wish to go direct to the dinner, i.e., skip the guided tour, drinks will be served in the garden of the Chapter House from 19:45.

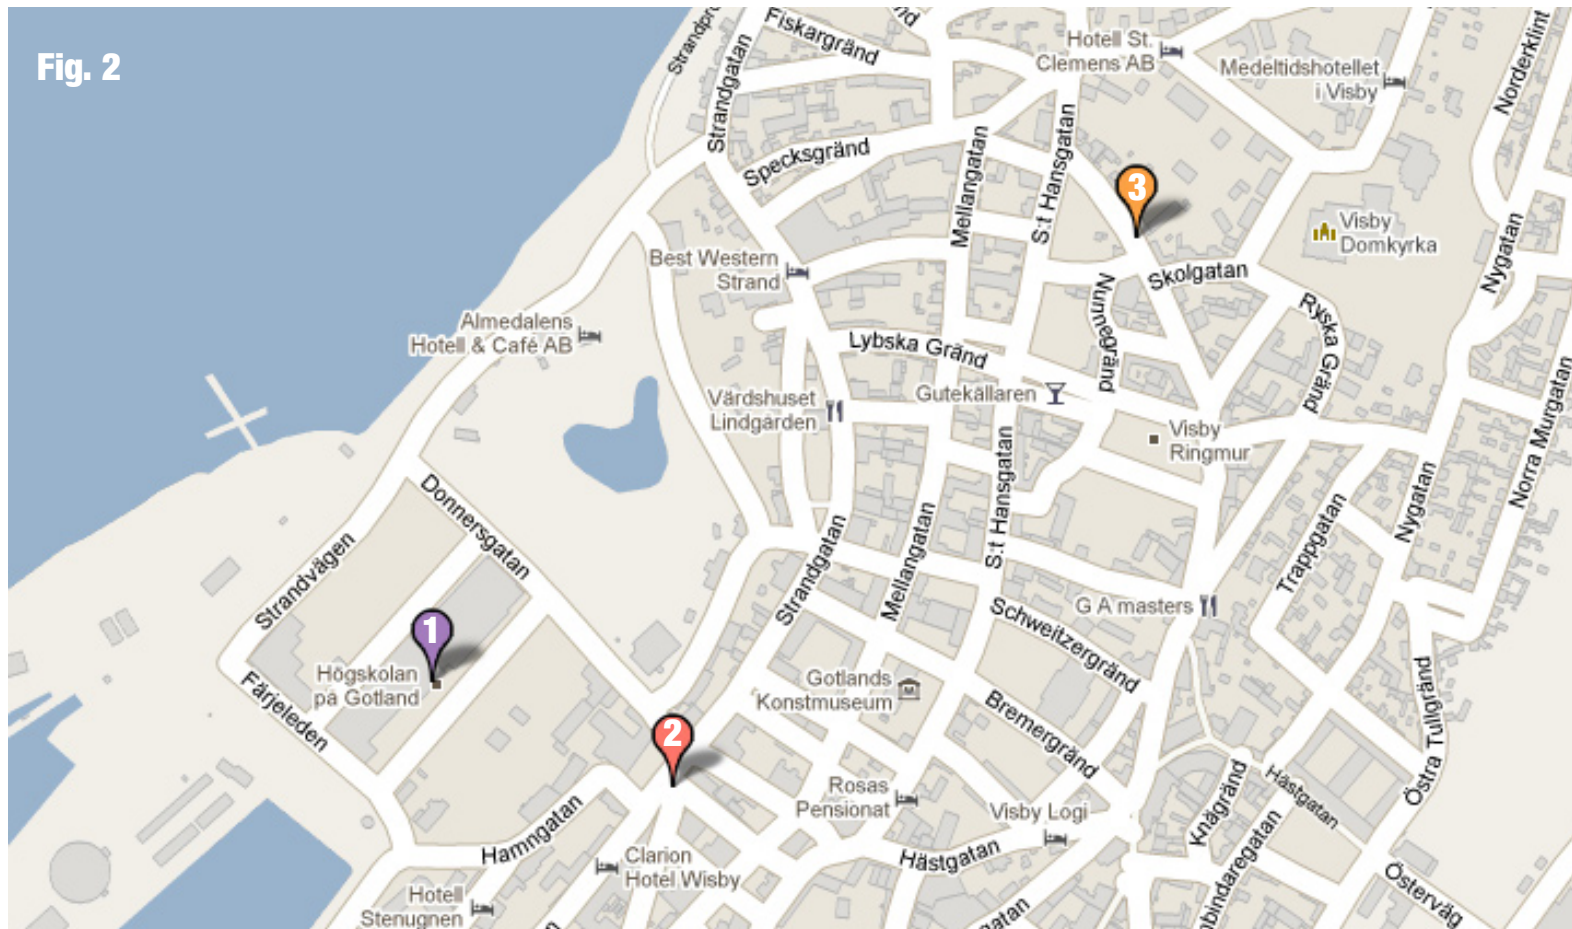

Most welcome to Visby and Gotland University
